

Interior Design & Advice | Modern and Custom-Made

NederVal Design & Comfort
Deventer, The Netherlands

A wooden cutting board and a folded beige towel on a light background.

Clean lines. Calm spaces. Intentional living.

This is what happens when design meets purpose. Every element chosen with care, every corner given breathing room.

Deventer

The Studio

Founded by F.J. Lopez Garcia, NederVal Design & Comfort is based in Deventer. We create spaces that bridge the gap between functionality, timeless style, and personal comfort. Designed to be lived in; made to be your masterpiece.

Modern.

Comfortable.

Fully custom-made.

The NederVal Aesthetic

Warm wood textures

Minimal forms

Soft, diffuse lighting

Quiet harmony
